

## LANDSCAPE DESIGNER / ARCHITECT

HNP Landscape Architecture is seeking a mid-level landscape designer/architect (entry level with experience accepted) to fill an immediate need in its Birmingham, Alabama office. The position offers an opportunity to work on a wide-range of project types including single-family residential, land planning, college campus, and athletic facility design.

### DESIRED QUALITIES

- Motivated, and detail-oriented to assist in all phases of project development
- Organized - Ability to manage multiple priorities and project deadlines
- Effective Communicator - Communicate and interact with clients and project team disciplines including architects, civil, electrical, and structural engineers
- Promoter - Market HNPs work through proposals and social media platforms
- Versatile - Desire to work on all phases of the design process and all landscape architecture types, including: site analysis, site design, planting plans, presentations, schematic and design development, estimation, contract documentation and construction observation.

### REQUIRED QUALIFICATIONS

- Minimum 1 year of professional practice or internship equivalent (Licensure NOT required)
- Bachelor or Master's Degree in Landscape Architecture from accredited institution
- Proven portfolio of constructed work showing skills throughout the design process from concept to construction
- Developed knowledge in planting plans, irrigation, grading, and drainage
- Proficiency in CAD, Adobe CS, Sketchup
- Strong graphic / freehand illustration / rendering skills
- Interest in athletic facility design and construction

### PREFERRED QUALIFICATIONS

- 2-5 years of professional practice
- Experience in athletic facility (various sports across competition levels), academic institution, and municipal park design.
- Proficiency in Vectorworks, Bluebeam, Lumion

### WORK HOURS

Full-time with partial remote work hours considered.

### RESPONSIBILITY BREAKDOWN

- 70% Concepts, Production Drawings / Details
- 15% Client and Project Management
- 10% Portfolio / Social Media Management
- 5% Research (Tech, Design, Code, History)

### BENEFITS

HNP offers its full-time employees a generous benefits package that includes paid vacation and sick time, 401k with annual Safe Harbor contribution, health insurance, life insurance, and short and long-term disability. We also offer additional, employee-funded benefits that include vision, dental, additional life insurance, and family health coverage.

### COMPENSATION

Salary + Benefits  
Commensurate with experience
